## INSTANT READ THERMOMETER WITH BOTTLE OPENER

Rare, medium or well-done? Because measuring is everything, you can regularly check the core temperature with the Big Green Egg Instant Read Thermometer. You'll know the exact temperature of meat, fish or poultry within seconds. How hot for the leg of lamb? Check the convenient chart with desired food temperatures on the reverse.

The reading is extremely quick and incredibly accurate: within a range of  $-50^{\circ}\text{C}$  to  $300^{\circ}\text{C}$ . The stainless-steel probe is foldable, and automatically turns itself off five minutes after use.

The degree of perfection has been achieved! Time for a well-deserved beer? This helpful tool also doubles as a bottle opener.
